THE NEW YORK TIMES GETS "THE GROOVE"

By Carol Archer

Rafe Gomez, former host/DJ of The Groove Boutique syndicated jazz mix show, will bring his jazzy spin to **Taste of T**, an annual wine and food festival produced by The New York Times, on November 6 at the Architects & Designers Building in midtown Manhattan.

Gomez, who provided the soundtrack for last year's event, will serve up his signature mix of jazz, Latin, funk, and bossa for an all-star team of celebrity chefs - including Eric Ripert (Le Bernadin), David Waltuck (Chanterelle), and Alexandra Guaranshcelli (Butter) - who'll provide samples of their culinary artistry for the upscale crowd.
